Donors have recognised the ability and capability of TEAM IZM to deliver within the shortest possible time and fulfill the niyat of the donors to their 100% satisfaction.

The donors appreciate the detailed account statement being sent to them periodically by the accounts department.

## EDUCATION DIVISION

The Principals, teachers and supporting staff of all the four schools under the management of Imam e Zamana Education Society are giving their very best to the necessary education to the underprivileged sections of the community.

The State Government of Telangana through its Department of Education has renewed the recognition to all the four schools and simultaneously upgraded the Qayamnagar school status from Primary to High School from the academic year 2022-23.

We successfully hosted the state level SSC BOARD EXAMS. The principals and staff of IZM Sajjadiyya (Canada) Girls and Boys Schools had to put in extra hours and days of hard work to discharge the duties assigned to them by the government authorities. Our schools received excellent comments for the arrangements made, by the inspection team who made surprise visits during the course of the exams.

To welcome the new academic year 2022-23, the preparations are in full swing:

✓ A momina lady donor from Houston, USA has donated, for starting BEST TEACHER AWARD, which is a new concept aiming towards appreciating and motivating the teaching faculty, which is to be distributed among the four best teachers of the four IZES schools.

✓ Selection of the best teacher will be done by means of secret ballot. The vote will be casted by High school students only. The management and the principal will have no say in the outcome.

✓ A momina lady donor from USA, in the memory of her parents has announced three cash prize to top three students of IZM SCHOOLS as per their grades in the final year board exams.

✓ The schools are being given major face lift. We are extremely grateful to the donors for the same.

✓ The necessary academic schools registers along with the entire year stationery has been procured.

✓ It's proposed to provide uniform set to all the students.

✓ It's proposed to procure best quality branded note books from ITC.

✓ The government has stopped free supply of text books. InshaAllah. We are going to purchase them from private vendors.

✓ The school furniture is proposed to be repaired, replaced in all the schools and add new furniture to accommodate increase number of students seeking admission in IZM SCHOOLS.

✓ The reports to donors of the academic performance of the sponsored students are being sent. This particular aspect is greatly appreciated by the sponsor/donor.

IZM SCHOOLS are getting an opportunity after a gap of two years (due to COVID-19) to work hard and to deliver.

I WISH THEM ALL THE VERY BEST.  
EELAH! AAMEEN.
