BLUE DAY

IZM YP and QNS had organized 'Blue Day'

Significance:

- Blue is a colour of calm and strength.
- It is a symbol of serenity, concentration, calmness and determination.
- It is associated with the healing power of water.
- Blue is considered a powerful colour by colour therapy experts.

Activities performed by the students:

- Colouring
- Shapes and Crafts
- Personal Toys Display
- Balloons
- Swimming tub
- Sweet corns as Snacks served

Independence Day

We are pleased to share report on the 78th Independence Day celebrations held at our schools. The event was a great success and was marked by a series of engaging activities that highlighted the spirit of patriotism and unity.

- Flag Hoisting
- Speeches
- skits
- Activities

Flag Hoisting

Speeches and Patriotic Songs

Students delivered inspiring speeches reflecting on the significance of Independence Day and the values of freedom and unity.

Skit on Unity and Integration

A skit performed by our students focused on the theme of unity and integration. The performance was both educational and entertaining, underscoring the importance of communal harmony and national unity.

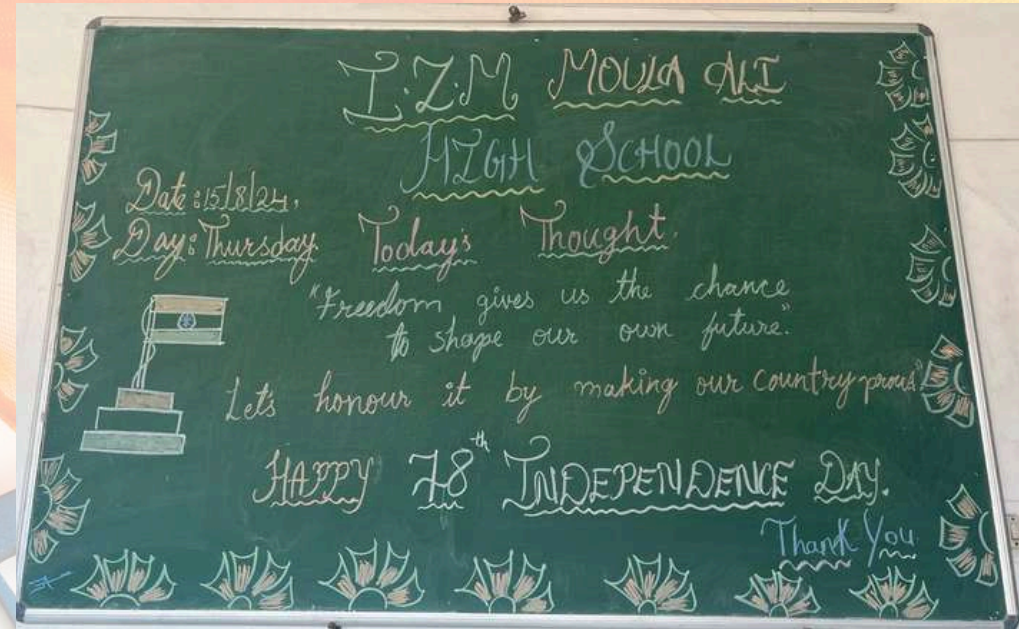

Tiny Tots Dress Up as Freedom Fighters

Our youngest students participated in a delightful dress-up activity where they came dressed as notable freedom fighters. Their colorful and creative costumes were a visual representation of India's rich history and freedom struggle.

Competitions

- Chart making
- Poster making
