INTRODUCTION

IMAM E ZAMANA MISSION is a registered, Non-Profited and Charitable organization, registered under AP (Telangana) Public Societies Act 1350 F, Hyderabad. IZM consists of a 19 Members' General Body which elects 11 Board Members and five Executives among the elected Board members, once in every three years.

IZM has been supported by like-minded charitable organizations from all over the world as well as individuals abroad and from within India. Accounts of IZM are audited annually by a Chartered Accountant. All audited statement are being submitted on a regular basis to relevant authorities.

We aim to bring positive change in their lives of the underprivileged section of society by providing support, encouragement and care to needy and deprived people in the community and also inspire them to help others among the community.

Over the last three decades Imam -e- Zamana Mission has been reaching out to the needy / poverty - stricken people of the community through assistance in Education, Housing, Medical support, Financial Assistance to Widows and Orphans and Self Employment schemes.

IZM manages four schools which was funded by Sajjadiya trust Canada. In addition to providing quality education, extracurricular activities are an integral part of education in IZM schools.

MISSION AND VISION STATEMENT

VISION AND MISSION

- To give relief to people, who face abject poverty and have no access or support system for survival, and to give them equal opportunities to improve their conditions.
- To help elevate the economic status of the underprivileged members of the community, to lead a life of honor and dignity.
- To grant financial and academic support to the most deserving children so that our community can develop at an equal pace with others.
- To help the sick regain their health.
- To provide shelter to the needy at different locations.
- To fund individuals or group to establish or develop their own business.
- To liaise with volunteers to perform Qaza Namaz, Roza, and Quran Recitals for Isale Sawab of the Marhumeen.
- To do justice to all stakeholders who have entrusted us with their time, money, and their children.

ACADEMIC PROGRAMS

Welcome Program

The New Academic year started on 12th June 2023 with a lot of enthusiasm and hopes to bring much needed change to raise the standard of education in our schools.

New Students were welcomed with balloons on their first day

Academic Programs

Many interventions were made in the academic year to bring about improvements in the learning abilities of our children. These are described below.

School assembly

School assembly is conducted in the school yard everyday. Students are assigned class-wise responsibilities which encourage public speaking via performance of a 5-minute skit. The school assembly has become a valuable learning platform.

Academic Programs

Handwriting improvement sessions

20 minutes have been allocated daily for handwriting improvement. Students practice slant, alignment, and letter formation under the supervision of their class teacher every morning.

Newspaper Reading

Using newspapers as a learning tool offers students a rich and multifaceted educational experience. We provide newspapers for every child twice a week and allocate 20 minutes in the morning for reading. This practice helps students to stay informed about current events, and fosters civic awareness and, critical thinking skills, which are crucial for their future as responsible citizens. Additionally, it enhances language proficiency and broadens their knowledge base across various subjects.

Remediation

A remedial program syllabus has been designed to help students to overcome learning obstacles and achieve their full potential. It focuses on Urdu, English, and Math and incorporates activity-based student engagement. We have been closely monitoring the progress of the students who continue to struggle, by providing individualized academic support. We have introduced the Academic Intensive Care Unit (AICU) aimed at assisting children with significant academic gaps, determined via a Special Education Needs assessment.

Academic Programs

10th Class After-School Academic Support

Due to significant academic gaps and learning challenges, additional after-school academic support for Class 10 has been provided since August. Furthermore, on Saturdays, an extra 4 hours of dedicated remedial support is available.

We have also implemented a study hours program because most students lack a suitable place to study at home, due to small living spaces or joint-family arrangements. After the support classes, students go home, refresh, and return in an hour to study at school for 4 hours (from 6 pm to 10 pm) under the supervision of additional part-time teachers who provide extra assistance in the evenings. Snacks are also served to these students

Beyond the Classroom : Holistic Learning

Our school embraces learning beyond traditional methods, offering students hands-on experiences that foster creativity, critical thinking, and practical skills. Through engaging activities and real-world applications, we aim to nurture their overall development, ensuring they grow academically, socially, and emotionally

Healthy food for a wealthy mood. Students of classes PP1 and PP2 prepare vegetable salad.

Facility Enhancement

Renovation of Play area at IZM School, Moula Ali

Play Area at Yakutpura School

The following items have been installed for the Pre-Primary Play area behind the BHS building.

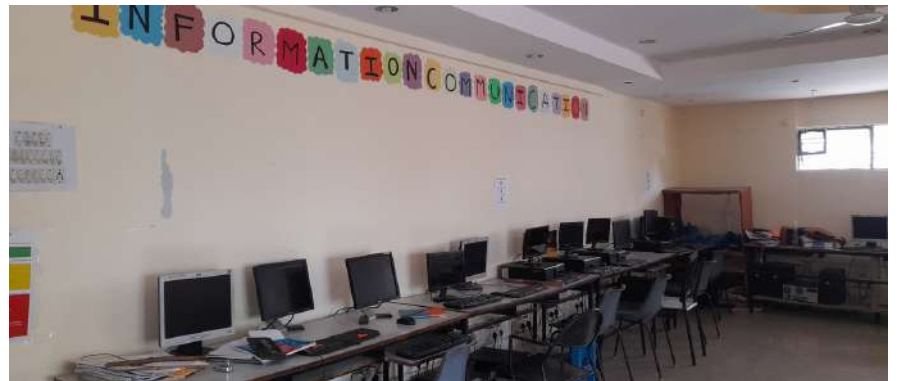

1. Multi Playstation
2. Revolving platform
3. Tunnel
4. Balancing Beam
5. Magic Carpet
6. Ring Tower Climber

Facility Enhancement

ICT Lab

Moula Ali School and Yalutpura schools (GHS & BHS) computer lab systems have been upgraded. Many systems were repaired, resulting in each lab now having 24 fully operational computers. Additionally, LAN connections were set up to enhance internet speed. Inverters have also been purchased for labs to prevent damage to the computers in case of sudden power failure.

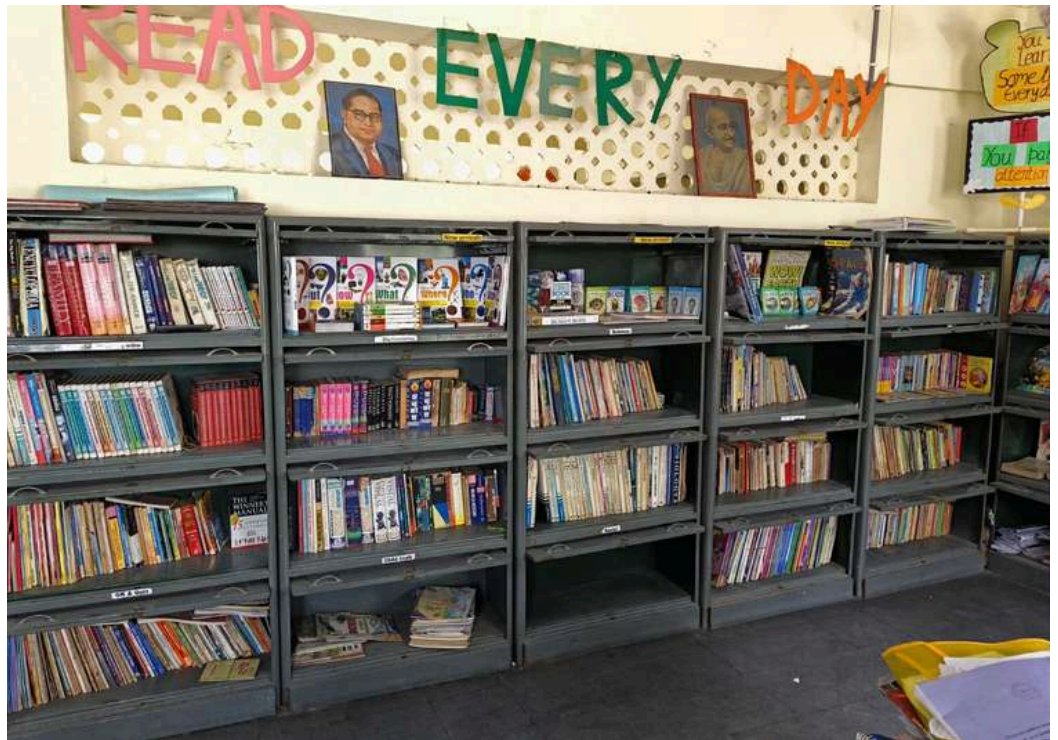

Smart Room

On each of our campuses, we have established a dedicated audiovisual classroom. Teachers have to book the slot to use the room based on their specific needs. All the subject teachers are instructed to use A.V room at least twice a week.

Facility Enhancement

Library - Igniting a Love for Reading

To cultivate a deep passion for reading, we have procured a treasure trove of over 200 captivating books for Yakutpura schools and restarted the library. The Library is now an attractive place for students to spend free time .

Extracurricular Activities

Sports & Competitions

FOOTBALL

The IZM School Boys' Soccer Teams for Under-14 (up to Class 8) and Under-17 (up to Class 10) participated in the 67th Schools Sports Federation (SGF) District Level Tournament and Selection Tournament held at Gymkhana from September 20th to 22nd. In 2023, over 75 teams competed in both categories.

With the primary goal of participation and the accompanying hope for a good result, the Under-17 team secured a draw and a bye, and then surprised us by winning the tie-break shootout against Agarwal High School in the second round, following a goalless regular time. In the third round of the final tournament, they lost narrowly to Progress School 0-1. This debut performance exceeded our expectations and shows great potential for future successes, with consistent coaching now being provided at the school.

The Under-14 team also gave their best but was eliminated in the first round. We extend our thanks to the organizers for providing this opportunity to showcase the students' talents through their participation.

Extracurricular Activities

Cricket Tournament

Two students - Mohd. Sameer from class 9 and Khalid from class 10 were selected for district level cricket tournament

Mehendi Competition

Mehendi Competition was organized at our school on occasion of Eid-e-Gadheer

Extracurricular Activities

INTER-SCHOOL SPORTS MEET

The Hyderabad District School Games Federation organized an interschool sports meet in 35 disciplines, at different venues, from August 22. Every institution should take part in a minimum of 3 disciplines.

Kabaddi Tournament

A Kabaddi competition was held at the Balshetty Khet Ground for the students of classes 6 to 10, aimed at promoting physical fitness, teamwork, and strategic thinking among students. The event celebrated this traditional sport, which is deeply rooted in Indian culture, while fostering sporting spirit and team work.

Extracurricular Activities

Kho Kho Tournament

The Hyderabad District School Games Federation organized an exhilarating Kho Kho competition for the students of classes 6 to 10 aimed at promoting physical fitness, teamwork, and sportsmanship among students. The event not only highlighted the traditional Indian sport but also encouraged participation and enthusiasm for outdoor activities.

Extracurricular Activities

Talent Search Examination conducted by Focus Acedemy

Two Students got cash Prizes

Nargis Fatima - 2nd Prize | Mohammedi Zaidi - 3rd Prize

Student Leadership

Student Leadership Elections at IZM Schools was an incredible experience for our students, providing them with a captivating and enriching opportunity for growth and learning.

Extracurricular Activities

Student Leadership

Extracurricular Activities

Investiture Ceremony

Moulana Agha Munawer and his esteemed team of Islamiyat addressed our students, establishing a connection between this event and the essence of Ghadeer. They emphasized the significance of pious leadership and its role in society, delving into the profound teachings of Imam Ali (as) in Nahjul Balagha. They explored in detail the letter Imam Ali (as) wrote to Malik Ibne Ashtar while appointing him as the governor of Egypt.

Extracurricular Activities

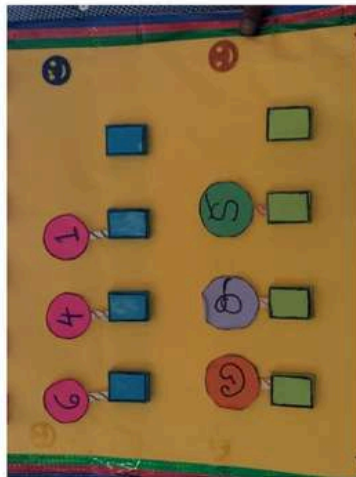

Teaching Learning Material Fair

The Teaching Learning Material (TLM) Fair at our school was a vibrant celebration of creativity and learning. Students showcased their talents through various projects, including handmade teaching-learning materials, art displays, and interactive demonstrations. The atmosphere buzzed with excitement as parents and teachers explored each booth, engaging in meaningful discussions about educational tools. The exhibition offered hands-on experiences, allowing everyone to participate in fun teaching-learning activities. The event not only highlighted the importance of innovative teaching methods but also fostered a sense of community, bringing together students, teachers, and families in a joyous celebration of education. Judges praised their ability to communicate effectively, emphasizing the importance of creativity in learning. This positive feedback not only encouraged the students but also fostered a supportive environment where imagination and originality were celebrated, inspiring everyone to continue exploring their creative potential.

Extracurricular Activities

Extracurricular Activities

Science Fair

A science fair was organized at our school to encourage students to explore scientific concepts, develop research skills, and showcase innovative projects. 90% of the participants reported an increased interest in science and research.

STAFF TRAINING AND DEVELOPMENT WORKSHOP

Teacher Development Programs

Orientation Program

A 5 day Orientation program and training session was held at the school. It was organized to welcome and prepare new and returning teachers for the upcoming academic year, ensuring a smooth transition and successful start. An overview of school policies and procedures, Curriculum overview and updates, Academic goals and objectives, Assessment and evaluation procedures, etc. were discussed

STAFF TRAINING AND DEVELOPMENT WORKSHOP

Teacher Development Programs

Pratham Workshop

The Pratham Workshop at our school was an engaging initiative aimed at enhancing students' learning experiences. Through interactive sessions, trainees explored various subjects, including language skills, mathematics. The workshop encouraged hands-on activities, fostering creativity and critical thinking. Trained facilitators guided the teachers providing personalized attention to ensure effective learning. They also provided content reference materials. Participants engaged in group discussions and practical demos that make training enjoyable and meaningful. By focusing on practical applications of knowledge, this Pratham Workshop aims to not only boosts academic performance but also instill a love for learning, preparing students for future challenges in an ever-evolving world.

Education with Emaan - Sessions with Scholars

Maulana Ghulam Hussain Mattoo Visit

Our school recently celebrated the esteemed visit of Maulana Ghulam Husain Mattoo, a prominent scholar and religious leader. The event was marked by an inspiring speech where he shared profound insights on values, education, and community service, emphasizing the importance of knowledge in shaping young minds. The students and staff were deeply moved by his wisdom and humble demeanor. Cultural performances and recitations by students added a vibrant touch to the occasion, reflecting the school's commitment to holistic development. The visit left a lasting impact, encouraging students to strive for excellence both in academics and personal growth.

Bazm E Marefat E Imam E Zamana (ATF)

Bazm-e-Marefat-e-Imam-e-Zamana is a vibrant celebration held at our school to honor the teachings and virtues of Imam Mahdi (AS). Special training was given to students for recitation of salam farmande. Students sang that very well. The event brought together students, teachers, and parents to participate in various activities that highlighted the importance of the Imam (a.s) in our lives. The day featured recitations engaging presentations , enlightening speeches about justice, peace, and guidance. Students showcased their artistic talents through colorful board games and presentations, reflecting their understanding of the Imam's message. Judges appreciated student's presentational skills. Tea and snacks were distributed, fostering a sense of community and spirituality, making it a memorable and meaningful occasion for all.

Republic Day

IZM schools celebrated Republic day with great enthusiasm. Our principals hoisted the national flag and students along with teachers sang the national anthem. The students of the different classes performed a cultural program.

Community Engagement

School Celebrations and Cultural Events

Telugu Day

Telugu Day is celebrated with great enthusiasm at IZM to honor the richness of the Telugu language and culture. Students participated in various activities like reciting Telugu poems, performing traditional Skits, and singing songs. Teachers organized special events highlighting the contributions of famous Telugu poets, writers, and historical figures. Competitions like storytelling, Quizzes were also held to encourage students to appreciate their mother tongue. Overall, the day fostered a deep sense of pride in the heritage and linguistic beauty of Telugu culture.

Community Engagement

School Celebrations and Cultural Events

Urdu Day

Urdu Day was celebrated at our school to honor and promote the richness of the Urdu language and its cultural heritage. The event included various activities like poetry recitation, skits, and speeches that highlight the beauty of Urdu literature. Students participated in the event to learn the history and significance of the language. Teachers emphasize the role of Urdu in uniting diverse communities and preserving traditions. The day fostered a sense of pride and appreciation for the language, encouraging students to explore and embrace their cultural roots while celebrating linguistic diversity.

Community Engagement

School Celebrations and Cultural Events

Constitution Day

Constitution Day was celebrated on November 26th, commemorated the adoption of the Constitution of India in 1949. This year, students of class 10 at IZM High School observed this important day with great enthusiasm and reverence, aiming to instill a sense of patriotism and awareness about the rights and duties enshrined in the Constitution, among students.

Community Engagement

School Celebrations and Cultural Events

Yellow Day

Yellow Day was celebrated in school to spread joy and happiness, where kids dressed up in vibrant yellow attire and participated in colorful activities and events. This festive day fosters creativity, friendship, and positivity among students, creating unforgettable memories

Community Engagement

School Celebrations and Cultural Events

Children's Day

Children's Day is celebrated with great joy and enthusiasm in schools. The day usually begins with a special assembly where teachers guide students in planning and playing games to entertain the students. Classrooms were decorated with colorful balloons and posters, creating a festive atmosphere. Various activities such as lemon spoon games, running and various competitions were organized to engage the children. Also students watched movies that aim to provide moral values. This day was a tribute to children, filled with fun, learning, and a sense of appreciation for their innocence and potential.

Community Engagement

School Celebrations and Cultural Events

Sports Day

Sports Day at school is an exciting celebration that promotes physical fitness, teamwork, and school spirit. Students participated in various athletic events, such as races, 100mtr Race, relays, and team sports, showcasing their talents and skills. The day began with a colorful opening ceremony, featuring the school band and a parade of athletes. Teachers and parents cheered on the participants, creating a vibrant atmosphere of support and camaraderie. Fun activities like tug-of-war and sack races encouraged friendly competition and laughter. At the end of the day, certificates were given to winners and participants, fostering a sense of achievement and encouraging lifelong fitness habits.

School Celebrations and Cultural Events

Sports Day

Community Engagement

Social Awareness Events

No Shadow Day

No Shadow Day was conducted in the school to help students observe the unique phenomenon when the sun is directly overhead, and no shadows are cast.

Students engaged in outdoor activities to witness the absence of shadows, reinforcing their understanding of Earth's rotation, solar positioning, and geography. Through this hands-on observation, they connected theoretical concepts to real-world examples, enhancing their learning of Earth's movements and its effects on the environment.

Workshop on Astronomy was conducted by Meraj Madani

Community Engagement

Social Awareness Events

Farmer's Market

Our school hosted a vibrant Rythu Bazaar, aimed at promoting local agriculture, fostering community engagement, and providing students with hands-on learning experiences. This initiative not only supported local farmers but also educated the community about sustainable farming practices.

Community Engagement

Social Awareness Events

Pet Day

National Pet Day celebrates the joy that pets bring into people's lives and encourages people to help reduce the number of animals in shelters. Bringing humans and animals together helps make the world a better place.

Teachers of Pre primary hosted an exciting Pet Day for pre-primary students, designed to promote empathy, responsibility, and a love for animals. The event provided a platform for students to interact with various pets, learn about their care, and appreciate the role of animals in our lives.

Community Engagement

Social Awareness Events

Recycling event

Recycling Day at school, organized by Classmate, was a fun and educational event aimed at raising environmental awareness among students. Students learned the importance of reducing waste, reusing materials, and recycling items to protect the planet. The highlight was the collection drive where students brought recyclable items from home, promoting active participation. Classmate also distributed eco-friendly stationery as prizes to encourage sustainable habits. Overall, it was a meaningful event, fostering a sense of responsibility toward the environment among the young learners.

Community Engagement

Social Awareness Events

Disaster Response Force Drill

A DRF drill at our school is a safety exercise designed to train students for emergency situations, such as fire or earthquake evacuations. During the drill, students learn to drop to the ground to stay low, roll away from potential hazards, and then fetch their emergency kits or personal belongings if safe to do so. This drill emphasizes calmness and quick thinking, teaching students how to respond effectively under pressure.

IZM student Secures Medical Seat

Ms. Sirajunnisa student of IZM School, Moula Ali was felicitated as she got a seat in medicine at Mahboob Nagar govt college, on merit, without any donations.

Community Engagement

Parent Engagement and Counselling

Parents-Teachers Meeting

A Parents-Teachers Meeting (PTM) is a significant event where parents and teachers come together to discuss the progress, strengths, and areas of improvement for their child. It provides an opportunity for open communication, enabling parents to understand their child's academic performance and behavior. Teachers offer feedback and share strategies for further development.

Community Engagement

Social Awareness Events

Student and Parent Counseling

We have three counselors among our staff: one part-time and two full-time. They are here to assist students with their behavior and to address any non-academic concerns that they may have. Additionally, in August, we organized a special counseling session for parents, which was greatly appreciated and received positive feedback.

House visits

A dedicated team comprising Moulana Agha Munawer, Moulana Murtuza Naqvi, Mr. Humayun, and Mr. Alamdar conducted home visits. Their aim was to counsel parents, emphasizing the importance of supporting their children's studies and creating a conducive study environment at home. These ensured diligent homework completion, school assignments, and regular punctuality among the students. More importantly, these visits are also aimed at understanding the family situation and any provide help for any crises at home. Up until May 2024, 400 house visits have been completed.

Student record corrections:

The student record files were inconsistent, with many lacking essential primary information such as birth certificates and Aadhaar numbers. There were also issues with incorrect student names and parents' names. 50% of the student record files have been verified and corrected so far and work is still in progress.

Community Engagement

Social Awareness Events

Counseling Department

The counseling department at IZM Yakutpura has introduced various initiatives to support students' educational, emotional, and mental well-being, while also guiding teachers and parents. Multiple sessions were held separately for mothers and fathers throughout the year. Mothers shared insights and tips, while the fathers' sessions highlighted the need for a community space for parenting discussions. Fathers were provided with advice to boost their confidence in parenting, and issues raised by mothers were shared to encourage a holistic approach.

Health and Medical Programs

Health camps were organized in our schools for all the students and staff to spread awareness about health check-ups and maintain a healthy life.

General Medical Camp

A Medical Camp was organized at IZM School, Moula Ali by Motherhood Hospital.

A general medical checkup was done for everyone. Medicines and health tips were prescribed for the malnourished children. Students benefited by this Medical Camp through a deeper understanding of maintaining good health.

Health and Medical Programs

Dental Care Camp

The Dental Camp at our school was an exciting initiative aimed at promoting oral health among students. This event provides free dental check-up, led by experienced dentists and dental hygienists. Children learned about proper brushing techniques, the importance of oral hygiene, and how to maintain healthy teeth and gums. Teachers were invited to participate in dental check up. The camp fosters a healthy mindset and instills lifelong habits for maintaining bright smiles.

Health and Medical Programs

Awareness Programs

Yoga Day

Deworming Day

Deworming Day is observed to spread awareness about the importance of deworming in all preschools and children in school.

Deworming was done to improve their overall health, nutritional intake and quality of life.

Tobacco, smoking and gutka awareness

An Awareness Program has been organized at IZM School, Moula Ali to educate the students about the detrimental effects of smoking and chewing tobacco & gutka on oral health.

Health and Medical Programs

Awareness Programs

Mosquito Awareness Program

The Mosquito Awareness Programme was conducted by GHMC at IZM School, Moula Ali to reduce mosquito breeding and encourage students to take preventative measures to avoid mosquito bites.

Unani Medical Camp

Monsoon Medical Unani Camp was conducted at IZM School, Moula Ali by the Government of Telangana. Medicines were also distributed to the students.

Daily snacks

After conducting a detailed survey and speaking to teachers and students, it was found that 53% of students come to school without having breakfast. Therefore, a small packet of snacks, either biscuits, cakes, or fruit, with a budget of Rs. 5, is provided for every child on a daily basis in the morning.

Infrastructural Development & Maintenance

Infrastructure Renovations

Washroom and Sink Renovations

All four-floor washrooms and sinks have been renovated, and a clean space for Wudhu has been added.

Infrastructural Development & Maintenance

Installation of New Fans, Tube Lights and Other Facilities

New fans and tube lights have been installed at all IZM schools. Many Fans were not in working conditions, The Tube lights had gone dim, hence majority of them were replaced to create a comfortable classroom experience.

Installation of Borewell Motor

Maintenance of RO Plant at IZM Boys High School

CCTV Surveillance

The Yakutpura schools (Boys & Girls campuses) are now under full CCTV surveillance, with cameras installed in all classrooms, corridors, and the grounds. Maintaining student discipline, monitoring teaching activities, and preventing unforeseen incidents is of utmost importance.

Heavy Duty Printer

We purchased a heavy-duty printer for printing worksheets, making work much easier for teachers, and significantly reducing the cost of printing these teaching materials outside.

OT (occupational therapy) Room

We conducted screenings from Nursery to Class 1 for learning difficulties and identified 48 children with severe issues that cannot be effectively handled by the class teacher, alone. These children require daily occupational therapy (OT). We promptly acquired the necessary equipment and initiated OT sessions with the assistance of trainers from the Endeavor section of Focus School. Our search for additional trainers at IZM is ongoing, and we need to expand our setup and acquire many more necessary items to establish a perfect OT room.

Summer Camp 2024

IZM School Yakutpura organized the Summer Camp 2024 at its BHS and GHS campuses for the first time on a scale that required meticulous planning, mobilization of resources and well organized logistics. The Summer Camp started on 1st May 2024 and concluded on 24th May 2024 for all the children except for high school boys, which concluded on June 3 with the event of Jashn e Ibadat.

Total Number of Boys that participated	212
Total Number of Girls that participated	254
Total Number of Teachers in Boys Camp	22
Total Number of Teachers in Girls Camp	27
Morning Batch Timings	09:00 am to 01:00 pm
Afternoon Batch Timings	02:30 pm to 06:30 pm
Subjects covered	Math, Science, Islamiyat, Public Speaking, Arts, Computers and Sports.

Experience Science

Magic with Math

Scholarly Islamiyat

Life Skills

Interventional Remediation

Happy Ending with a Picnic

Social & Welfare Services

MAALI IMDAD

IZM has been providing Maali Imdad to poor, deserving, helpless widows, orphans, destitute and disabled to support their day-to-day basic needs. The funds such as Sehme-e-Imam, Sehme-e-Sadaat, Sadqa, Zakat, Fitra, Zamini are utilized for this purpose.

This help is disbursed in the following ways:

- a. Monthly Maali Imdad
- b. Adhoc Maali Imdad
- c. Other Benefits

MAALI IMDAD DISTRIBUTION

2023 – 2024

A total of 27 cases are supported annually, with contributions amounting to ₹11,10,500. These donations come from various generous individuals and families, helping to make a significant impact on the lives of those in need

4	Sehm-e-Imam	6,80,875
5	Sehm-e-Sadaat	17,400
6	Medical Assistance	96,500
Total:		22,71,761

OTHER BENEFITS 2023 – 2024

S.No	Details	Amount Paid (Rs.)
1	Care of Orphans	6,600
2	Religious Expenses	57,500
Total:		64,100

Qaza Namaz, Roza and Recitation of Holy Quran

Qaza Namaz, Qaza Roza and Recitation of the Holy Quran is a source of financial help to those needy persons who are restricted to their homes and cannot take up employment outside to earn their livelihood and the Marhumeen will benefit from Isale Sawab.

It is organized every Wednesday under the guidance of the Project Manager. There are about 60 regular beneficiaries, the majority women who perform Qaza Namaz, Qaza Roza and Recitation of the Quran. The beneficiaries' performances are tested before issuing Namaz and reciting the Quran.

After completion of the Neeyath, the beneficiaries submit their completion report which is verified and payment is made. IZM maintains records of the amount received, and performance of the neeyath and reports to the donor.

2023-2024

1	Qaza Namaz	437 Months	3,20,100
2	Qaza Roza	143 Days	34,320
3	Recitation of Holy Quran	159 No's	171,920
TOTAL			5,26,340

Mahe Ramadhan Distribution 2024

We are extremely thankful to The World Federation of KSIMC and many other kind-hearted donors from India and abroad, for allowing IMAM E ZAMANA MISSION to participate in the distribution of food packs during Mahe Ramadhan.

Alhamdulillah, 1200 food grain packets have been distributed by IZM during this auspicious month of Mahe Ramadan to widows, orphans, and to poor and needy beneficiaries of our community.

Scholarship and College Sponsorship Programs

College Education is divided into four groups. Intermediate, Graduation, Vocational and Professional. To sponsor students for college education, 1st preference is given to the students of IZM Schools. IZM also sponsors students of other schools, if funds permit.

IMAM E ZAMANA MISSION is grateful to the team of Beta Charitable Trust and other donors for sponsoring students for college education. The details are as:

Particulars	No. of Students	Amount
Intermediate I year	29	1,45,000
Intermediate II year	14	70,000
Graduation	14	70,000
Professional	2	3,60,000
Total	59	6,45,000

Donor's Visit

One of our Esteemed Donors and sponsors Mr. Rajnikant and M. Amin from Houston, USA along with his niece visited the school. They had brief discussions with the Ex-President and Secretary of IZM.

Donors are informed about , progress and the utilization of their funds with queries if any by email immediately. Also the write ups and Donation Tariff are sent periodically by email to our prospective donors.

The social media platform makes strong impact on the image of our organization, IZM has been using its Website, WhatsApp, Facebook, You tube, Instagram, LinkedIn etc.

We on behalf of IZM thank The World Federation of Khoja Shia Ishna E Ashri Muslim Community of United Kingdom, Beta Charitable Trust of United Kingdom, Sajjadiyya Trust of Canada, Saheb e Asr Mission of USA, Islamic Education Centre, Houston, USA, and other kind hearted individual donors totaling in all 227 for having given large sums of money to IZM for its various projects.

Donors Contribution 2023 -24

We on behalf of the Board also Thank Chartered Accountant M/s SKVG & Associates for the services rendered by them on guiding us in the areas of Accounts, FCRA and other areas.

We request the donor community to contribute more and more towards upliftment of the under privileged. The donors support is all important, if things at the ground level have to change.

Future Plans and Goals for AY 2024-25

At IZM, our mission has always been to uplift underprivileged families by providing them with the support, education, and guidance that they need to break barriers and thrive. As we look toward 2024-25, we are committed to expand our efforts in three key areas:

1. Community engagement and support,
2. Academic excellence, and
3. Career and vocational training and guidance for school graduates.

These pillars are the foundation of our future goals, aiming to create a lasting impact on both the students and their families.

1. Family Engagement and Support: Strengthening the Foundation

We believe that a child's success begins at home, which is why we are deeply committed to engaging with families on a personal level. Our dedicated team will continue to conduct home visits, meeting with parents to better understand their needs. These interactions will allow us to offer not only financial assistance but also crucial moral and social support. Our goal is to guide families with compassion, helping them to navigate the challenges they face.

In 2024-25, we aim to hire three additional professional counselors who will provide personalized, one-on-one counseling sessions for parents and children. These sessions will address emotional, behavioral, and social challenges, fostering stronger, healthier family relationships. Special focus will be given to mothers, fathers, and children through tailored, need-based support sessions that will empower families to become a source of strength for their children.

2. Elevating Academic Standards: Transforming Schools into Hubs of Innovation

Our second focus is to enhance the academic experience for students by elevating standards across our schools. We plan to develop specialized learning spaces that inspire curiosity and hands-on exploration, ensuring students can engage deeply with their subjects. Here's how we plan to achieve this:

- **Science Lab:**

Our upgraded science lab will ignite a love for discovery by offering students the chance to engage in interactive experiments and practical learning. By immersing children in the wonders of science, we aim to nurture the next generation of curious thinkers and problem solvers.

- **Math Lab:**

Our math faculty has undergone extensive training this year, and they are now ready to launch a brand-new Math Lab. This innovative space will be tailored to the specific needs of our students, creating an environment where math is not just learned but experienced. Here, children will visualize concepts, engage in hands-on activities, and build confidence as they master the "magic of math."

- **English Lab:**

At IZM, we prioritize giving children the confidence to express themselves. The English Lab will be a dedicated space where students can participate in spoken English activities, role-playing, and interactive sessions that strengthen their communication skills. This lab will be designed as a safe and comfortable space for children to practice speaking up, enhancing their confidence and broadening their horizons in both academic and personal spheres.

• **STEM Lab:**

To further equip our students for the future, we will be setting up a STEM Lab (Science, Technology, Engineering, and Mathematics). This lab will foster a creative and innovative mindset by providing students with hands-on experience in these critical fields. Through collaborative projects, students will explore real-world problems, build technical skills, and develop a deep understanding of how STEM can be applied in everyday life. The STEM Lab will be a launchpad for students to dream big and develop the skills they need to succeed in the modern world.

3. After-School Support: Paving the Way for Professional Careers and Vocational Skills

Our third goal is to extend our support beyond school hours by helping students prepare for their futures. Whether they aspire to enter prestigious professional fields or pursue vocational skills, we aim to provide them with the guidance and resources they need to succeed.

- For those students aiming for careers in engineering, medicine, accountancy, or technology, we will offer specialized after-school programs to help them excel in competitive exams and secure admission to top institutions via IIT and NEET coaching. We are committed to supporting as many students as possible in their college education, depending on the financial resources available and contributions from generous donors. Our goal is to ensure they receive the best possible coaching and guidance to crack these highly competitive exams.

- For students interested in vocational courses, we will provide training that equips them with practical skills in trades that are in high demand. This will open up career pathways for students who want to enter the workforce directly, giving them the tools they need to build successful, independent lives.

At IZM, we are driven by the belief that every child deserves the opportunity to succeed, regardless of their background. Through our holistic approach to education, family support, and career guidance, we are committed to transforming the lives of all the children and families that we serve.

On behalf of IZM and IZES, we extend our heartfelt thanks to everyone who has made this vision possible—especially the executive and managing teams, our dedicated teachers our generous donors, and the staff at IZM Office and IZES Schools. Your continued support enables us to serve the community better, and together, we will continue the journey to uplift and empower the next generation of our society, to have a bright and fulfilling future.

Syed Baqar Hasan
President,
IZM & IZES

Mir Ahmed Ali Khan
