ORIENTATION PROGRAM

A comprehensive 3-week Orientation Program was conducted across all IZM School campuses to familiarise new teachers as well as existing staff with the school's vision, academic framework, and teaching methodologies, ensuring a confident and collaborative start to the academic year.

PARENT'S ORIENTATION

IZM Schools, across all 4 branches Qayam Nagar, Moula Ali, and Yakutpura branches, successfully conducted a comprehensive Parents' Orientation Program aimed at welcoming new families and fostering a strong partnership between parents and teachers by offering valuable insights into the school's vision, academic structure, teaching methodologies, classroom expectations, student support systems, safety measures, and co-curricular opportunities, while also encouraging open dialogue through interactive sessions that laid the foundation for a collaborative and enriching academic journey.

STUDENT COUNCIL ELECTIONS

The Student Council Elections 2025 were held with great enthusiasm across all four IZM campuses — Boys High School, Girls High School, Qayam Nagar, and Moula Ali. Students actively participated in the nomination, campaigning, and voting process, gaining hands-on experience in democratic practices. Candidates presented their ideas through impactful speeches and creative posters. Voting was conducted using both traditional secret ballots and eco-friendly digital methods through Google Forms on tablets, promoting both realism and sustainability.

The entire election process was carried out in a transparent, disciplined, and fair manner under the guidance of teachers and staff. Special assemblies were held to announce the results and celebrate the newly elected Head Boy, Head Girl, House Captains, and other leaders. The event not only helped students understand the value of informed decision-making and leadership but also strengthened their confidence, communication skills, and civic responsibility — making it a truly enriching experience across all IZM campuses.
